

IDENTIFYING THEME

Themes are the central ideas of a text. They mostly explore or comment on human experiences or focus on important things that happen in our world.

Create a poster board collage related to one (or more) theme(s) of the book. Try to illustrate the theme using only pictures, the viewer should be able to recognise what it's about just by looking at your poster. Images can be hand drawn, printed, or clipped from a magazine/newspaper. Explain why each image represents the theme.
